

## Charter Partners Tax & Business Tips

### Important Flood Assistance Information: Grants of up to \$25,000 now available

The Queensland Government is providing financial assistance to primary producers and small businesses affected by the flooding.

Primary producers and small business owners who have suffered direct damage from recent flooding can apply for Special Disaster Flood Assistance grants of up to \$5,000 (for immediate recovery assistance). A further grant of up to \$20,000 is available to help recover costs paid to repair direct flood damage.

Low interest loans of up to \$250,000 are available to fund the repair and/or replacement of damaged plant and equipment, buildings or stock.

To apply for financial assistance for direct damage caused by flooding you must be located in a declared local government area. Please click [here](#) for more information.

#### **Primary Producers**

The Queensland Government has a range of support services available to help farmers recover from the floods.
