Ever wish you had an expert on call to answer the tough questions that crop up at the most critical times, or someone to bounce ideas off or gain a second opinion?

Ever hesitated to call your accountant and ask those questions, because you're worried what the cost will be?

EXPERT ADVICE ON TAP

The difficulty with running a business is that you never know when you will need help.

You want confidence that you have ready access to an expert who is knowledgeable about your business, and the comfort of knowing there will be no nasty surprises when the bill arrives.

Imagine how your business could benefit from having someone you could turn to at any time to clarify issues and provide objective feedback. Someone you can rely on for honest answers – every time.

At Charter Partners we understand that providing ongoing support is equally as important as our ability to analyse the numbers. And we know you'd prefer to deal with professionals who don't start the clock the moment you call.

A PARTNER ALWAYS BY YOUR SIDE

If calling our accountant gives you an uneasy feeling, we've got great news for you.

Charter Partners **Business Partner** program (BPP) is a breakthrough in business accounting and advisory services. Now you can enjoy **untimed phone and email access** to expert business tax and accounting advice *when* you need it.

Picture this ... an accountant who:

- Is easy to reach
- There when you need them
- Returns your calls and emails
- Delivers prompt turnaround when you need answers immediately.

The key to the service – and you're going to like this – is that you only pay one fixed affordable annual fee.

Together we're better, so call us and let us become a *partner* in your success.
